

Queenstown Bank

7101 Main Street • P.O. Box 120
Queenstown, Maryland 21658

QUEENSTOWN - Queenstown Bank of Maryland recently introduced a new product called CardValet™. The launch of the CardValet app enables customers to protect their debit card against fraud and theft by turning it on and off.

We all know that debit cards offer both convenience and risk. If your card falls into the wrong hands, your personal accounts are vulnerable. With CardValet, the mobile app that lets you deactivate your debit card when it's not in use, you can control your debit card spending and get real-time alerts to ensure your card is used only by you.

That's not all! Are you trying to stay within a set budget? CardValet lets you specify merchant types and set spending thresholds; you can even limit transactions to merchants located within a certain range of your location and any transactions requested outside of the specified range will be declined. Queenstown Bank and CardValet are empowering you to control your debit card spending with this easy-to-use real-time app.

This is just one more way that Queenstown Bank is offering you a way to safeguard your information. The app is available for download, at no cost, on Google Play™ or the Apple® App Store.

Queenstown Bank of Maryland is your local, relationship bank. Their eight branch locations within Queen Anne's, Talbot and Caroline Counties, offer convenience with award winning customer service. For more information about Queenstown Bank and the services they offer, please call (410) 827-8881 or visit www.queenstownbank.com.
