THE 13th ANNUAL SENIOR SUMMIT WAS A SUCCESS!

CENTREVILLE – The 13th Annual Senior Summit hosted by the Queen Anne’s County Area Agency on Aging was held on Friday, May 15 at the Queen Anne’s County 4-H Park. It was a huge success once again this year with vendors participating and providing seniors with information and resources on healthcare, financial education, independent living care facilities, etc. This event allows seniors from all over to gather, spend the day researching, resources and having a great time. The county even provides transportation to those who need it.

Community involvement is at its peak at this event and when asked why Queenstown Bank participates in the Senior Summit each year Holly Rhodes, Marketing and Advertising Manager said, “We love to come and spend the day in the community to support the Queen Anne’s County Area Agency on Aging in their effort to help the seniors remain healthy, active and independent.”
